Cultural Exchange

Between French Students and families from the tri-town area

Families in Mattapoisett, Marion and Rochester opened their homes and their hearts to young adults from France for three memorable weeks of cultural exchange. The group, aged 14-17, are all students trying to learn about American culture and polishing up their language skills with help from the families they stayed with.

Anne-Marie Guihot-Vicart from Paris served as an escort and stayed with Mark and Carla Carafella of Marion. *The Wanderer* had the opportunity to talk with members of the 10 families that hosted the young people and some of the students while they were waiting to take a bus to see the Elton John concert. Ms. Guihot-Vicart, who is used to living in the big city said she was in for quite a surprise when she came to Marion. "All of us are city people, we expected to see buses," she said in almost perfect English. "This place is very beautiful and healthy with all the trees. It's really a wonderful place for the families. The host families are extremely becoming and nice," she added.

When asked about some of the differences between the two countries, Ms. Guihot said many of the students were surprised to see young people driving in America. "They could not believe their eyes, they can drive at 16 and a half," she said. In their homeland, they have to be 18 before they can get behind the wheel.

Of course tasting different foods was quite another experience. Some of the foods that came to mind for her that she had never tried before were cranberries and clams.

Doug and Elizabeth Leatham of Marion said they were thrilled to be a host family.

"Marius (Rayar) has been a joy to have in the house, he fit in just beautifully," said Mrs. Leatham. Not only does Marius Rayar speak French and English, he's fluent in Spanish as well.

Ruscher Nicolas, who stayed with Douglas and Lucy Rounseville, said he enjoyed his stay very much. He said American meals were quite different than what he was accustomed to.

Emmannuelle Simonneau took advantage of the lower priced clothing and sneakers in the states. She stayed with Joseph and Jean Booth of Mattapoisett. "She bought a pair of Converse sneakers here for $24. In France they're $60," explained Mr. Booth.

"She's very quiet, but she was wonderful to have here. We think she's great," added Mrs. Booth. The couple said the three weeks went by much too fast and hope to keep in touch with Emmannuelle.

"They say Americans speak too fast," Mrs. Booth said. Emmannuelle took her first-and last-bite of a spicy burrito Mr. Booth made. Mrs. Booth said Emmannuelle opened her mouth and exclaimed "Wow-hot mouth." The next time she was offered a burrito she politely declined. They gave her credit for the attempt anyhow.

Emmannuelle said she thought the Booths were very nice to her. "I like the differences, it's interesting to see the changes. I live in a big town, here it is very small," she said shyly. When asked about her shopping spree, she smiled and said," It's always cheaper here."

The students visited Boston, and Plimouth Plantation during their stay here. Carla Cafarella, a Spanish teacher at Old Rochester Regional High School was the program coordinator. She called herself the "Julie McCoy" (the ship's hostess') from the television show the *Love Boat)* of the whole program. An organization, INTRAX, arranges the cultural and academic exchanges with countries all over the world.

The families drove the students to many different places. Many of them had children the same age as the students staying with them.

"The host families were very involved. They joined us on a lot of activities. It's the families that really make the program run," Mrs. Cafarella said.

Other host families are Bob and Maureen Best of Mattapoisett, Stephen and Jean Cushing of Marion, Ken and Nancy Gayer of Marion, Alfred and Martha Xavier of Mattapoisett, Ed and Linda Turcotte-Shamski of Mattapoisett, Tony and Darilyn Silvera of Rochester.

On the cover: *(left to right) Joe Booth, his daughter Laura Booth, Emmannuelle Simonneau (exchange student), his wife Jean Booth and daughert Liz Booth took part in a cultural exchange program. The Mattapoisett family said the three week visit from the French student went by much too quickly. (Not shown are Joey Booth and Sarah Booth).*

The Board began the meeting with the signing of the warrants and the approval of minutes for the meeting on August 7. Correspondence for the week included a letter from John P. Villars, Regional Administrator for the Environmental Protection Agency. He stated in the letter he has decided to provide the Buzzards Bay Action Committee with $30,000 from a separate agency account to support the implementation process of the Action Committee.

Selectmen then received a letter of resignation from Jeffrey Oakes who served on the Marion Conservation Commission. "I have enjoyed working with the commission over the past five years, but now plant to pursue other interests," he wrote in a letter to Selectmen. He also requested that the conservation commission appoint him as an associate member on October 1, 1995 upon his resignation. "I intend to contribute to the important work the commission is doing by volunteering my time on projects which may benefit from my experience," he concluded. Selectman Schaefer made a motion to regretfully accept his resignation.

Next, Selectmen received a letter from Mr. Lawrence Brown, a resident of Marion for 23 years, expressing his interest to serve on the conservation commission. He said this is an opportune time for him to become more involved with the community activities. Selectmen noted they would accept letters

of interest for the position up until September 11, 1995. Mr. L. Hoyt Watson sent a letter to Selectmen asking them to enforce the privacy of the newly acquired buffer strip between Joanne Land and Point Road. "The subcontractors working on the abutting development and the real estate agents trying to peddle the new lots are abusing the former bridle paths and making work for the town if it is to maintain the strip in its former natural state. Insist on access only through Joanne Lane," he wrote in the letter. Mr. Richard Mecke, president of the RJM Corporation in Lakeville responded to his concerns. "I appreciate Mr. Watson's concern on behalf of the Town of Marion and agree that the subcontractors and real estate brokers have been using the existing dirt roads for parking and access to Joanne Drive. The dirt roads are now becoming the new home owners property as well as the proposed buffer to be deeded to the town. We now have families living on Joanne Drive and they would prefer not to have vehicles driving over their new lawn. The dirt roads will be landscaped, made inaccessible and impassable as the construction process continues. Cooler weather and a more suitable planting season is approaching, which will allow our landscapers to return the disturbed areas to their natural state.." wrote Mr. Mecke.

Selectmen also received correspondence from Executive Secretary Ray Pickles concerning a request from the Marion Social Club. According to the letter, on August 21st the Marion Social Club has requested an assignment of their lease dated September 13, 1994 to the Plymouth Savings Bank in order to allow the club to complete their heating and air

The club is unable to obtain a conventional mortgage because they are only fee owners of the building and not the land. Chairman Winters made a motion to grant permission to an assignment of the lease to the property off of Pumping Station Road. Selectman Schaefer seconded the motion, asking the add the word "conditional" before the word assignment.

a letter from State Representative William M. Straus. He contacted the District 5 Highway Director for the Massachusetts Highway Department, Bernard McCourt, regarding the missing center island on Route 6 in Marion. "Mr. McCourt assures me that staff from the engineering department will review the site and be in touch with the town about possible approaches to resolve the matter," Representative Straus wrote in a letter to Selectmen. Selectman Schaefer suggested the board send a letter to the highway department. Resident Hod Kenney said the intersection was an accident waiting to happen. "You get almost through the intersection before you can see the lights. It's an accident waiting to happen," he said. Mr. Albin Johnson said he saw two accidents in front of his business already. Selectman Schaefer said the board should make the state aware of the citizens' concerns.

Lastly, Selectmen received a letter from the New Bedford City Council, requesting the town of Marion join them in requesting state legislators to make it a mandatory two-year sentence for anyone carrying an illegal gun in the Commonwealth.

Selectman Schaefer said she agreed wholeheartedly with the idea, as did Chairman Winters.

At 7:15 pm, a pole hearing was held for permission to move a pole on Point Road. There were no abutters present; the vote passed unanimously.

At 7:20 pm, Selectmen met with Catherine Jones to discuss a basketball stand erected across the street from her. "I know there are basketball courts all over town, but the rest of them are on a dead end street. The pole is 6 inches off the road, is that legally town property?"she asked. Chairman Winters said it depends on the actual width of the road. Ms. Jones said she was concerned she and others weren't asked before the pole went up. She said because the street was busy, it wasn't safe for children to play there. "It's two stones throws away from the playground," she said. Selectmen agreed to take the matter under advisement and find out the legal status.

Mr. Tyler Blethen thanked Selectmen for their support during the Marion Concert Band's program commemorating the end of World War II and honoring all Marion residents who served during the conflict. He said it was a flawless event. The Board met with Ms. Dorothy Stevens regarding an address change so she would not have to pay the betterment fees for the new septic system to be installed. Chairman Winters told her, "based on the

town by-laws your house is a built-on lot, it says you have to bear a share of the betterment charge. Changing your address wouldn't effect the fee because the frontage is still on the street." She said she couldn't afford the higher rate which comes to about $1,000 a year. Mr. Pickles said she probably couldn't sell the house if it didn't have a tie-in to a sewer. There being no further business before the board, they adjourned at 8:00 pm.

Rochester Selectmen's Meeting

August 21, 1995

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, August 21 at 7:00 pm by Chairman Michael Murphy. Also present were Selectman Lorraine Roy Hawkes, Selectman David L. Hughes and Administrative Secretary Shirley A. Ferreira.

After approving the minutes from the August 7 meeting, Selectmen received a request from the city of New Bedford to join the city council in requesting state legislators to make it a mandatory two-year sentence for anyone carrying an illegal gun in the Commonwealth. Selectman Hughes made a motion to support them; it passed unanimously.

Selectmen also received a request for a meeting with Mr. James Ziobro and Mrs. Donna Ziobro regarding a complaint against Lt. James Simpson of the Rochester Police Department. According to a letter written by Mrs. Ziobro, the formal complaint is dated July 5, 1995 and was submitted to Chief Walter Denham. "On August 8, I met with Lt. Simpson and Chief Denham for two hours in an attempt to resolve this matter. Despite Chief Denham's very commendable attempts to mediate a resolution, Lt. Simpson's attitude of indifference produced no acceptable results," she wrote in a letter to Selectmen. She asked the Board vote to conduct a hearing on this matter as soon as possible. "I have attempted to handle all of this in a very

professional and reasonable manner and request that the Board do the same in as an expedient manner as possible," she concluded.

Selectman Hughes said they would ask town council to be present for a hearing next week, August 28 at 7:00 pm, "provided an attorney will be here." "Notify Officer Simpson, he has the right to an executive meeting and to have council present," Selectman Hughes said.

Selectman Murphy said the hearing would be subject to town council being present and the availability of Lt. Simpson. They agreed to meet next week instead of the following week. Selectman also received an invitation to attend Eagle Court of Honor for Brian J. Rumery on September 10 at the St. Rose of Lima Church in Rochester.

The Board signed Massachusetts Highway forms for monies received in Fiscal Year 1996 totaling $341,873.25. Next, the Board received a letter from Chief Robert G. Redfern, Jr., President of the Massachusetts Chiefs of Police Association. The letter states, "The opposition of the Massachusetts Municipal Association (MMA) to proposed legislation which would authorize but not require a city or town to sign an employment contract with its police chief is unjustified and wrong. At a time when our two associations should be devoting their energies to the many interests and challenges we have in common, I find this legislative confrontation especially troubling. Hopefully this memo will clarify some issues not addressed in recent articles appearing in the Beacon."

The board also received information from Dog Officer, Thomas Medeiros regarding testing for rabies. "Due to the number of wild animal/domestic encounters, the cost of sending them all out to be tested has now become a burden to the budget, as well as overloading the

state lab with extra work. It has been suggested to follow other towns to only test animals that have been in contact with humans. For those people can receive immediate treatment as needed. Domestic animal owners will be advised to have their animals treated with a booster shot for rabies and keep them in quarantine as prescribed by state law for 45 days. If the owner wishes to have the wild animal checked, it would be at their expense for shipping and any other expenses incurred. We should resume testing on wild animals once the peak threshold is on the downside in retrospect to occurrence and encounters," Mr. Medeiros wrote in a letter to the board of health. Karen Walega, regional health agent said it was a good idea, but to inform the public of the change.

Under old business, Selectman Hughes discussed the result of the recent negotiations with the Massachusetts Police Union, concerning the sergeant's position. At the last town meeting, residents voted for the new position and a 15 percent pay raise as stated in the union contract. Shortly after, Selectman Hughes and Chairman Murphy vetoed the position for different reasons. Selectmen Hughes said he supported the position but thought it should be posted for all officers to see. Chairman Murphy said a town the size of Rochester didn't warrant a sergeant's position. Selectman Hughes met with members of the Massachusetts Police Union; they negotiated the pay raise from 15 percent to 5 percent. "They voted to change the 15 percent pay raise to a 5 percent pay raise effective upon appointing this position. I make a motion to appoint Officer James Wassmouth (as sergeant) with a pay raise of 5 percent and not as 15 percent as stipulated in the union contract as of today," Selectman Hughes said. He asked Selectman Hawkes if she was satisfied with the results. "Is it retroactive (from the vote taken at town meeting?" she asked him. He said it was as of "today." She seconded the motion; Chairman Murphy said he was against it. Sgt. Wassmouth made $25,177.07 a year as an officer. He will now make $26,435.

Selectman Murphy then excused himself from a discussion about the towing procedure in town because he is directly involved in the matter since he owns one of the services.

Susan Kucinski, chief dispatcher sent a letter to the board. "At the Selectmen's meeting of July 24, 1995, the towing procedure was discussed and a decision was postponed until all companies had responded to a letter from the board. During this meeting, Selectman Hughes suggested having primary and secondary duty wreckers. I would like to recommend the Board consider that procedure prior to making a final decision regarding the towing situation. Primary duty wreckers, located in town, would remain in a rotating order and be the first ones contacted for a service call. This would not only keep the

town businesses in the town, it would also be financially beneficial for the town residents. Secondary duty wreckers, located out of town, would remain in a rotating order as well, and be called in the event that neither the primary wreckers is available to accept a call for service. To my knowledge, there has never been a problem with the in-town towing companies. The discussion at the meeting mentioned above stemmed when an out-of-town company thought it was losing calls for service."

Selectman Hughes read a letter written by Christine Murphy of Murphy's Auto Salvage asking for the board to consider to allow the town towing be done by the town tow companies only, as it was in the past.

"Murphy's Auto Salvage has in the last 20 plus years always given one hundred percent to supply a swift responsive and economical service to the town of Rochester. We have never charged the town for towing police cars, fire or other town equipment. This is more than just a job to our company and the towns people are more than just customers. This town has never had to use out-of-town companies in the years past because there was never a problem. We now have out-of-town companies and problems. The tow companies is town have a good working relationship with each other and I believe they have the same goal: to serve the community they reside in at a reasonable profit. That goal is also to take care of the people's needs in our town and prevent the towns people from having to go out of town to get their cars and be subjected to greater tow fees to do the extra miles the out-of-town companies have to travel and can charge our residents."

After reading letters from other tow companies in and out-of-town, Selectman Hawkes said they should keep the list as it is, including out-of-town tow companies. All of the companies agreed their rotating week should start from 8:00 am Monday through the following Monday at 8:00 am. Selectman Hughes said for the record, he would like to see the towing done by town companies. "I support town businesses and want to keep it here in town. If necessary do go out to (call) secondary services. Let's

At 7:15 pm, Selectmen met with Mr. Gary Gaspar to fill a vacant part-time position as a dispatcher for the communications center in Rochester. He currently works as a call firefighter for Mattapoisett and part-time as an Acushnet police officer. Selectmen voted to appoint him to replace Elmer Lawrence, who at first wanted to work part-time after retiring from his full-time position, but later changed his mind.

At 7:30 pm, Selectmen opened the bids for the 1989 Ford Crown Victoria Cruiser. The bid was awarded to Custom Auto Shop for $317. Selectmen also opened bids

for replacing the rug in the Selectmen's Office. The went with the lowest bidder, Friendly Floor Covering, for $672. For painting the same office, Selectmen moved to choose Cape Cod Color for the job for $750. Loader will shingle the roof and install a heavy duty gutter system for $13,295.

At 8:00 pm, a pole hearing was held for the installation of joint pole locations on Ryder Road. Selectmen met with representatives from COM/Electric. There being no abutters present to oppose, Selectmen agreed to ask that work begin immediately for the new development. In other business, Ray and Mike's in Acushnet will install storm windows and two vinyl windows for $975. Since there is no money budgeted for the installation of the windows, Selectmen will ask Town Accountant Claudette Couto if they can use the balance from the $19,000 to repair the roof.

Under new business, Selectman Hughes said there seems to be a problem with equipment at the communications center. "There's no money in the amount we raised and appropriated at town meeting for new radios," Selectman Hughes explained. "I'd like the support of the board (in a letter) saying we will transfer money in their budgets if they run short in their public safety line items," he added. Selectmen unanimously agreed with him. Selectman Hawkes said she wanted to make sure the departments would get the money in the end if they did happen to run short. Selectman Hughes said they would.

Selectmen then met as a Personnel Board to appoint Mr. Gaspar and to approve the $10 an hour rate for the note taker for the Board of Appeals. There being no further business before the board, they adjourned at 8:30 pm.

YOU'VE GOT A NICE FACE BUT....

Do you know what I consider one of the greatest drawbacks of the seller who tries to sell his own home ? The fact that most prospects will not confide their objections to the seller's face. I've found that the great preponderance of buyers are gentle, polite and caring individuals. That's the problem. They don't want to insult you.

You may have the nicest face on the block, but a promising buyer may have abruptly decided that he couldn't afford the price of your home and left. He didn't want to hurt your feelings. On the other hand, price is a subject that they WOULD discuss with our agent (they do it all the time) who could then show them how it could possibly be financed within their means.

A nice prospect wouldn't dream of telling a nice seller that the carpeting was worn or certain rooms need to be repainted. They'd tell this to us though, in which case we could arrange to make minor financial adjustments or repairs and save what could have been a lost sale.

Letter to the Editor

To the Editor:

Soon the school bell will toll and Mattapoisett elementary school children will be walking down the halls of Center and Old Hammondtown schools. At the same time, Mattapoisett residents will be hearing about the addition proposed by the Mattapoisett Elementary School Building Needs Committee to solve the overcrowding at Old Hammondtown.

In July, I was invited to attend a meeting of this committee as a concerned resident. After many diligent discussions, the committee decided to address the crucial issue at this time which is the overcrowded classrooms at Old Hammondtown. Their proposal is to build four additional full-sized rooms, three smaller ones and other necessary improvements such as a handicap accessible rest room and mechanical, plumbing and electrical upgrades.

I found that the committee was sensitive to the final cost to the Mattapoisett tax-payers without jeopardizing the educational comfort of our children. The tax-payers will be asked to pay $16 per $100,000 of assessed value for 20 years. One of the characteristics of Mattapoisett which makes the

town special is the schools. We must continue this great Mattapoisett tradition.

I personally have been following the issue of adding an addition to Old Hammondtown since 1992. However, I know that this issue has been discussed for at least 15 years. It is time to stop talking and now take action. The children of Mattapoisett need it now! I urge all Mattapoisett residents to come to the public forum to be held on September 13th, 1995 at Old Hammondtown and the Special Town Meeting on October 12, 1995 to receive complete information and have their questions answered. To The Editor:

The final party of the Plumb Library's Summer Reading Program was held on Monday, August 14 at 6:30 pm. Summer readers received reading certificates, bookmarks, reading buttons and celebrated with a READING IS NATURAL cake. Over 100 young people participated in this year's program, and over 70 reached their goal of reading 10 books. Programs were very well attended and greatly enjoyed. Over 2,000 items were checked out of the library in July alone. On behalf of the board of Library Trustees, I would like to congratulate all the young people who participated in this year's program. You did a fantastic job!

I would also like to extend my heartfelt thanks to all the people and area businesses who helped make this year's program such a success.
Sincerely,
Lucy Loomis Van Petten
Library Director

The First Annual Charity Golf Tournament will be held on October 13, 1995 at the Kittansett Club in Marion. Designed by Frederick Hood in 1923 , the "links" style course, with a layout that depends on the natural features of the land and a constant wind, rather than artificial obstacles, provides a challenging game of golf. Chairperson of the event this year is Deborah Hynes of New Bedford. Other committee members are James Hughes, Patricia Janiak, Michael Rutkowski, Ronald LaStaiti and Eivind Strand. Proceeds from the tournament will provide YMCA programs to financially disadvantaged youths and families, including the YMCA's popular Camp Massasoit. Entry forms and sponsorship information are available by calling the YMCA at 997-0734. The event is limited to the first 120 paid golfers. Interested golfers are urged to sign up as soon as possible. The entry fee of $150 per player includes golf cart, greens fees and an elaborate dinner with numerous prizes. The

new exhibit, "*Westri* in Antarctica: Paintings by Peter C. Stone." These en plein air paintings reflect Mr. Stone's adventurous spirit. "En plein air" is an expression used to describe a picture painted out of doors, in which the artist attempts to render qualities of light and atmosphere. The idea was adopted by many Impressionists. Paintings in the exhibition include: *Cabo de Hornos, Green Water, Drake Passage,* and *Isla Deceit*. This large body of work is intended for Mr. Stone's latest literary project. Join the New Bedford Whaling Museum for an interesting evening. The multi-media presentation by Bourne Knowles and Peter C. Stone will be held at the Museum Theater followed by an Exhibit Opening. Tickets will be free for Museum members and will be sold to non-members for $5 each. For more information please call Peter C. Friends of the Elderly

The Friends of the Elderly held their second annual picnic for Mattapoisett seniors last Saturday at the YMCA Youth and Family Center. The weather was beautiful though a bit windy. We hope everyone enjoyed the day, and Ginny wants to thank all the volunteers who helped and especially those who did the cooking. The hot dogs and hamburgers were great and so was the entertainment provided by Bette Roberts.

World War II Commemorative Celebration

The Florence EastmanPost 280 American Legion in Mattapoisett announces the 50th Anniversary of World War II on Saturday, September 16, 11:00 am-3:00 pm at the Gazebo at Shipyard Park in Mattapoisett. Fifty years ago, in 1945, four fearful years of war ended in victory for America and defeat of Hitler, Germany and the militarists of Japan. In a great outpouring of courage and endurance by the men and women both in the military force and on the home front, our way of life was defended. From the Mattapoisett area, hundreds of young men and women left their homes to fight in foreign lands. Their courage and sacrifices stand as models of patriotism. In remembrance of the 50th anniversary of the end of World War II, the Florence Eastman Post 280-American Legion and Veterans Services of Mattapoisett and Rochester invite all World War II veterans, veterans of all wars and the general public to the celebration. The Newport Navy Concert Band, a 16-piece band, will be performing music from the Glenn Miller era. The Northeastern Navy Showband is one of the most sought after big bands in New

Scallop Fest

The 1995 Bourne Scallop Fest will take place on September 8th-10th at the Canalside Park in Buzzards Bay (on Main Street in the shadow of the railroad bridge). Opening ceremonies will be highlighted by a parade on Thursday September 7 at 6:00 pm, featuring clowns, music, floats and antique and specialty cars. Following the parade, a taste of the Scallop Fest will be served to attendees at the discounted price of $5 each.

The Scallop Fest was started 26 years ago to help local scallop fishermen promote their business. Over the years, the festival has increased dramatically to the point where we expect to welcome over 100,000 visitors and serve over 30,000 dinners this year. Entertainment is scheduled for almost every minute of every day, including a special performance of the Reggae band 14U on Saturday night. The entertainment is geared toward all age groups, including games and rides for children. Over 75 booths will feature vendors selling arts and crafts and novelty items. This year we

its Fifth Annual Holiday Bazaar to be held on Saturday, November 18th. Recently the Gallery has experienced a large decrease in visitors and we feel that it is directly related to the loss of the Fairhaven Bridge. We are especially concerned because the Bazaar is the Gallery's only fundraiser of the year and neither the Gallery nor the fine craftspeople who exhibit at the Bazaar can afford for it not to be financially successful. Since it has become so difficult to draw people from New Bedford and Dartmouth, the Gallery is searching for ways to motivate them to get on the highway and drive over. More than one holiday event in Fairhaven on the same day could be such a motivation. We would like to hear from other organizations in Fairhaven interested in collaborating on additional holiday events for November 18. Bazaars, open houses at Fairhaven businesses, special menus at restaurants for the day, music in front of town hall-any idea is worth discussing. The event could be called "Celebrate Fairhaven" and billed as a way to begin the Holiday season early on November 18th. The Nemasket Gallery will be able to help with press releases, public service announcements and by keynoting other activities in our bazaar flyer.

Please call Peggi Medeiros at the Nemasket Gallery, Monday through Friday, 8:30 am-4:00 pm at 999-4436 to discuss "Celebrate Fairhaven."

Managing Menopause

The managing menopause workshops presented by Jennifer L. Prouty, MSN, RNC, will be continued on an ongoing basis. The next workshop series will begin September 20 at 7:00 pm. The series consists of four workshops. Individuals may attend as many workshops as they wish. The cost is $20 per workshop or $70 for all four. Space is limited. To register call Jennifer at 758-2529. All workshops will be held at Child and Family Associates, 25 County Road, Mattapoisett. The managing menopause workshops are intended for midlife women who wish to learn more about menopause. We will discuss issues concerning health and well-being during the menopausal years and beyond. The workshops are designed to inform and support women as they come to understand the significance of menopause in their own lives.The four workshops cover understanding menopause. This session will focus on what is happening within a woman's body before, during and after the last menstrual period and will explore the physical and psychological effects of these changes. We will also discuss a woman's personal risk for osteoporosis and heart disease. The second topic is about hormones. Taking hormones after menopause may not be a choice made by every woman, but it's essential to understand why hormones are recommended. We will discuss how hormone therapy is prescribed and the benefits, risks, and side-effects of this therapy. The third workshop is alternative choices for managing menopause. We will focus attention in this session on what options are available for women who cannot or choose not to use hormone therapy at

procedures, boat handling, docking and undocking, weather prediction, trailering your boat, and marlinspike seamanship (tying knots that hold) are the subjects. The seventh session is a final exam. A United States Power Squadron Certificate of Completion is awarded to everyone who completes the course and passes the final exam.

Anyone is welcome to sign up for the course. There are no age restrictions. Boat ownership is not required. Instruction is free, the only cost being for materials plus $5 to help defray the cost of the classroom rent. If you are starting from scratch, it's a good idea to purchase the Boating Course Kit for $26, which includes the student manual, a course plotter and dividers. If you are already plotting equipment, you can purchase the student manual separately, priced at $15. If more than one member of your family takes the course, you'll need only one manual, but an extra set of homework questions for each additional family member. These are $4 per set. A practice chart and a piece of rope for practicing marlinspike cost an additional $3. The total cost if you have no equipment is $34 for materials and classroom rent. For more information contact Bob Coburn at 947-4462, Dick Fearing at 748-1890, Gale Hudson at 758-6407, Walt Sawyer at 758-2769, or Ralph Parker at 995-9204.

Your Guide To Buying And Caring For Diamonds

Ten Tips for Buying a Diamond

1. Choose a jeweler in whom you have confidence. Make sure that he or she will talk to you, frankly and freely, about the diamond you want to buy and the price you want to pay. The better stores in your community are not always the most expensive; more often, these stores give you the best values.

2. All diamonds are rare, and certain types are very rare. The 4C 's—cut, color, clarity, carat-weight—explain why diamonds that appear to be virtually identical may show a wide range in value.

3. Cut. A well-polished diamond is the work of a master cutter. When cut to good proportions, the diamond is better able to handle light, creating more brilliance, more dispersion and more sparkle. And that's a great reflection on you. Diamonds are cut into a number of shapes, depending on the nature of the rough stone. The most popular are round, marquise, oval, pear, square and emerald, and the choice is largely a matter of personal preference.

It's the hot sleeping pill, natural and cheap. Now scientists say this hormone could reset the body's aging clock, turning back the ravages of time.

Melatonin

Cure-All?

Melatonin's benefits are still debatable, but studies point to many possible uses. The drug may help:

- Ease insomnia
- Combat jet lag
- Protect cells from free-radical damage
